"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

Foot power required to run a sewing machine is little to be sure, but it is enough to give the average woman a backache

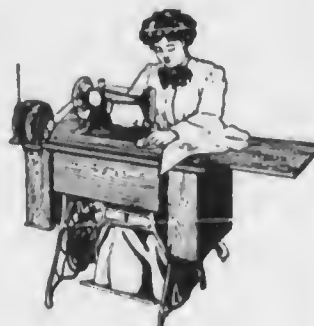

A General Electric Motor will drive the machine, allowing undivided attention to be given to the sewing.

The result is better work, more of it, and no backache. The cost of operation averages one cent an hour.

IN NEWPORT JAIL

Fleming County Youth Charged With Impersonating Officer

Cincinnati Commercial Tribune.

As the result of pranks played by practical jokers Dimmitt Coryell, a youth, who is said by the police to be slightly demented, and who gave his residence as Mount Carmel, Fleming county, Ky., is locked up in the Newport Jail, charged with impersonating an officer.

Coryell, who is but 22 years of age, came to Newport Saturday afternoon looking for work. He met several persons in York street and made his mission known. Seeing that the young fellow was ill as mind, they "laddered" him into believing that he was a police officer. The jokers secured a tin badge and a mace and started the young man on his way.

The police say young Coryell attempted to use his "authority," with the result that he was arrested early yesterday by Constable Brooker and locked up in the Newport Jail. A brother of the unfortunate man called at police headquarters yesterday and was indignant over the treatment of his brother by the "jokers." Young Coryell is the son of wealthy parents.

HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Meane, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. G. W. GEISEL

DROWNED WHILE BATHING.

Harold Housh, aged 20, living with his parents as tenants on Miss Rachel Lamb's place on the North Fork, was drowned yesterday afternoon about 5 o'clock while swimming in the Northfork. Harold, together with his two brothers and Walter Manning, was bathing and all four started to swim across the stream. Harold is supposed to have taken cramps and sank in mid stream, as he was not missed until the boys reached the opposite side of the stream. His body was recovered this morning. Young Housh is spoken of as an exceptionally exemplary young man, and his untimely death is deeply regretted by all who knew him.

A BIG MOVEMENT in MERCHANDISE

No one could tell last winter—when our summer stock was bought—that we would have the coldest spring on record. We anticipated a normal season—all calculations were upset—by the unusual weather. Consequently in some departments stocks are heavier than they should be while in others vigorous selling has reduced it to remnant lots. Again we have taken advantage of Manufacturers' bargains, so plentiful at this season, therefore we can offer in addition to our early season stock, goods just unpacked for this sale. Then our annual invoice, recently completed, uncovered some big and little lots that need marching orders. The combination of big stocks that need reduction, of little lots that must be cleared, of manufacturers' bargains and of the many items an invoice reveals, gives you an economic opportunity rarely equaled. We have stated with positive exactness the details of each bargain so you can't be disappointed in a single item. SALE OPENS WEDNESDAY AT 9 A. M. and will continue as long as the bargains last. It is hardly necessary to emphasize that those who come first will get choice.

CURTAINS

If the lid is not promptly put on curtain
boxes or if goods are thoughtlessly piled on
them, two errors hard to avoid in the rush of
busy days, the freshness women rightfully de-
mand in buying curtains is soon destroyed. In-
ventory disclosed some curtains that have suf-
fered such a loss but it's a wrong soap and water
will soon right and to pay you for the trouble
we've made prices that should put every curtain
in the lot fluttering at some one's window before
the week is out.
